

Dear visitor,

Thank you for coming to Temp Settling.

This show will run between Tuesday 4th Aug and Thursday 6<sup>th</sup> Aug.

I, the artist, will inhabit Nice Gallery between these times and have undertaken a vow of silence whilst here. You are invited to bring me things to live from; I have not supplied myself with anything (not even the bare necessities) whilst at the gallery. Therefore the work I create, along with my well being, largely depend on your empathy and participation.

My residency at the gallery will conclude with a open evening on Thursday 6<sup>th</sup> at 6pm where audience members can come and see what has been supplied and consequently created during this stay.

Please note the vow of silence includes refraining from using any means of communication, such as sign language or written word.

Thank you very much for you interest and participation in Temp Settling!
